#NigeriaDHS

# 2024 Nigeria Demographic and Health Survey (NDHS)

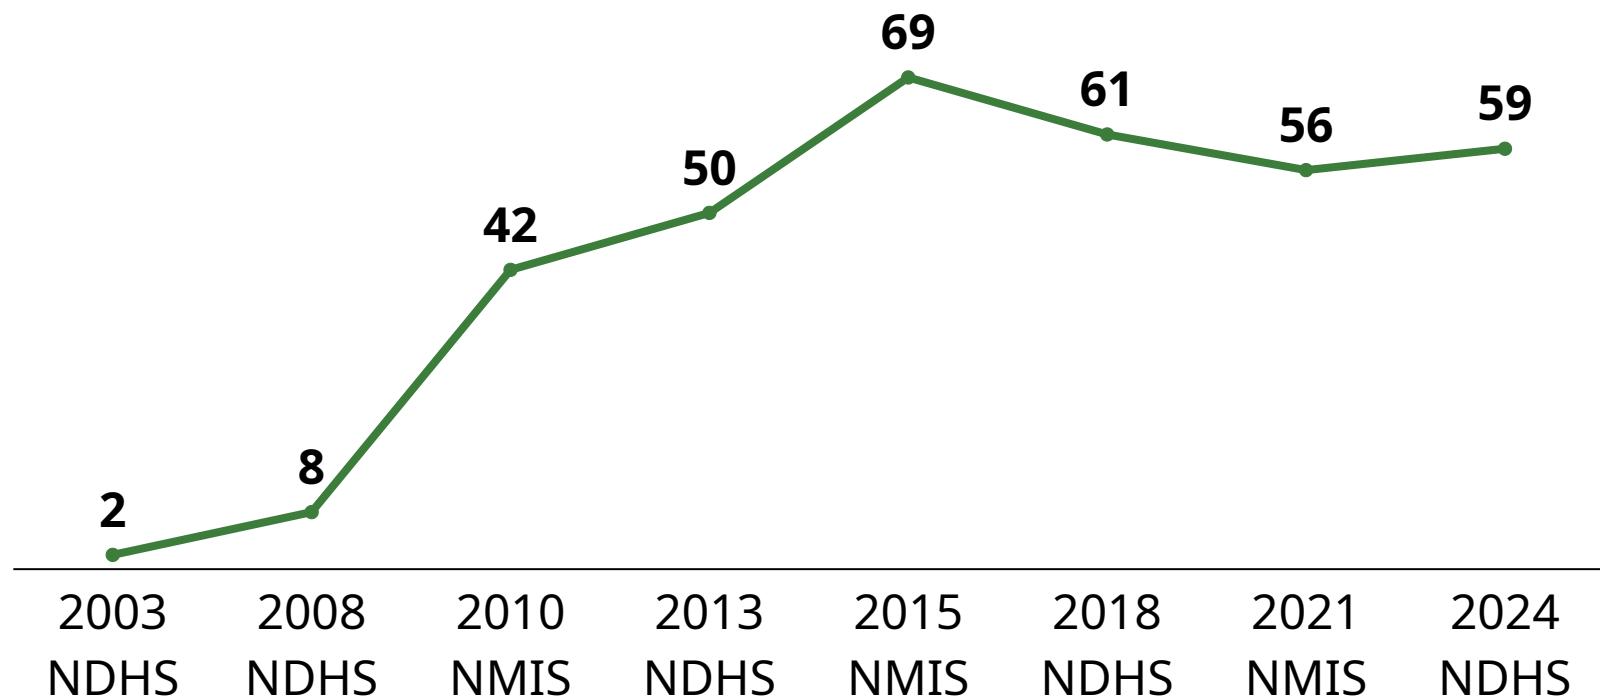

- **Malaria prevention**
- Malaria in pregnancy
- Case management of fever in children

Find these data in  
**Chapter 12**  
of the Final Report

# Trends in ITN Ownership

*Percent of households with at least 1 insecticide-treated net (ITN)*

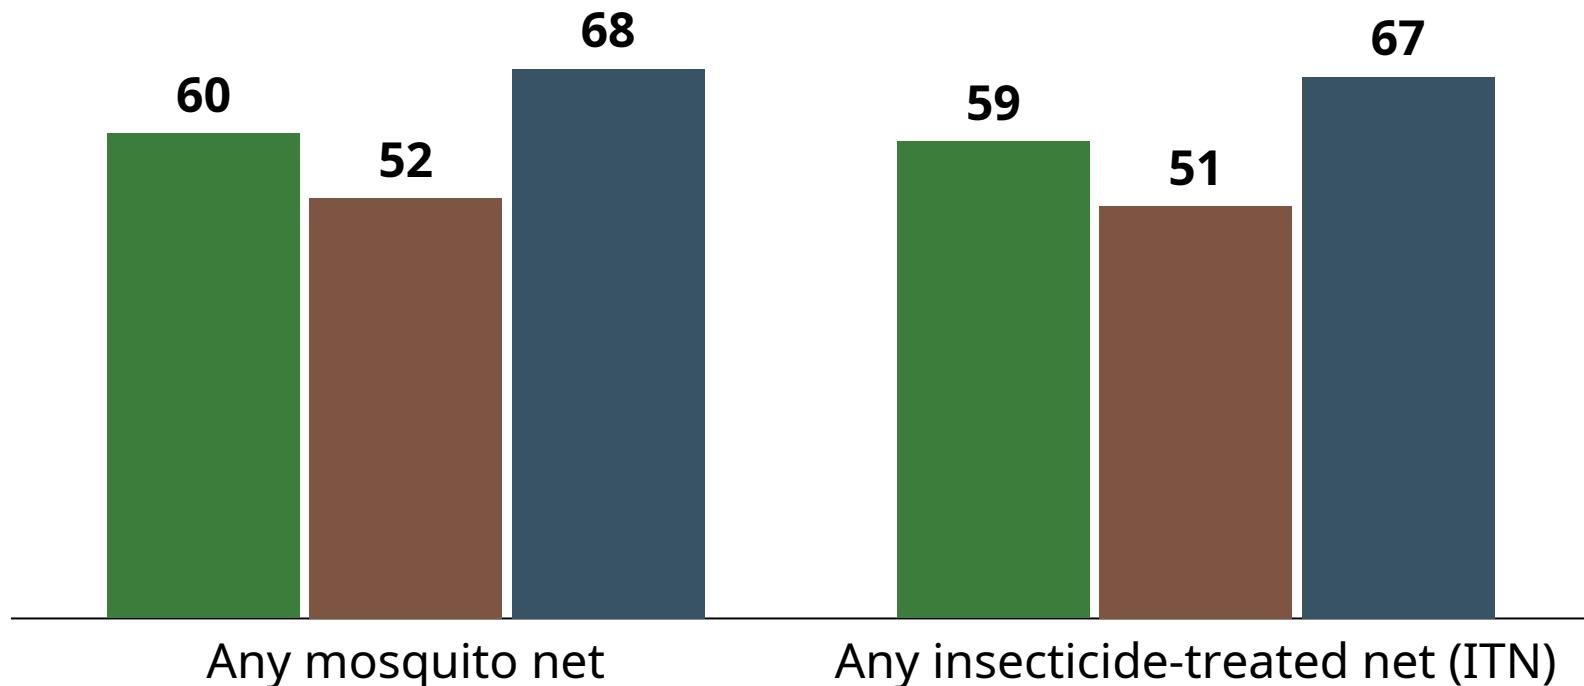

*Note: An insecticide-treated net (ITN) is a factory-treated net that does not require any further treatment. In the 2008 NDHS, 2010 NMIS, 2013 NDHS, and 2015 NMIS, this was known as a long-lasting insecticidal net (LLIN).*

# Ownership of Mosquito Nets by Residence

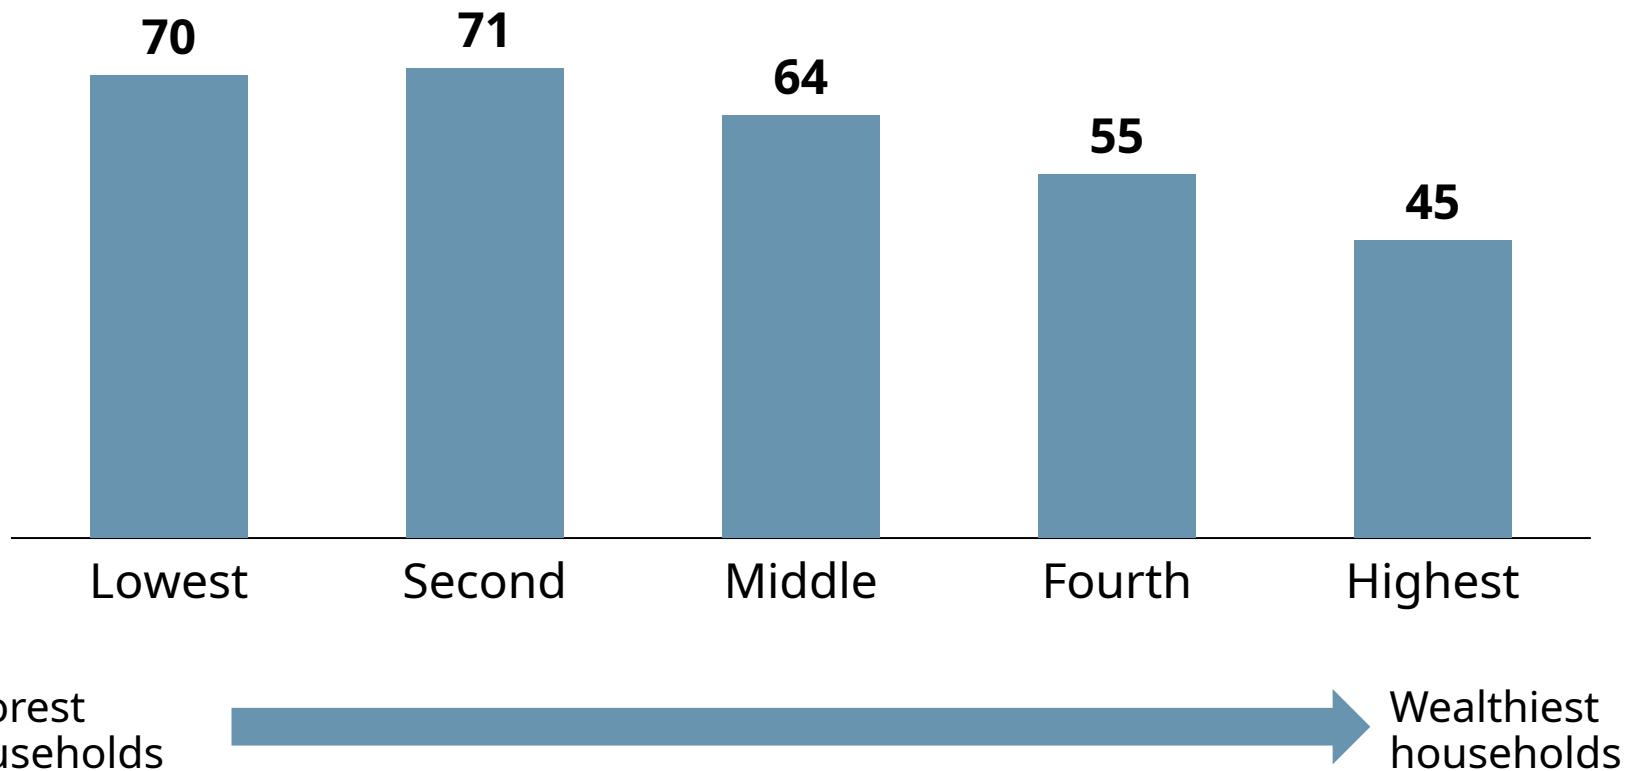

*Percent of households with at least:*

■ Nigeria ■ Urban ■ Rural

# ITN Ownership by Wealth

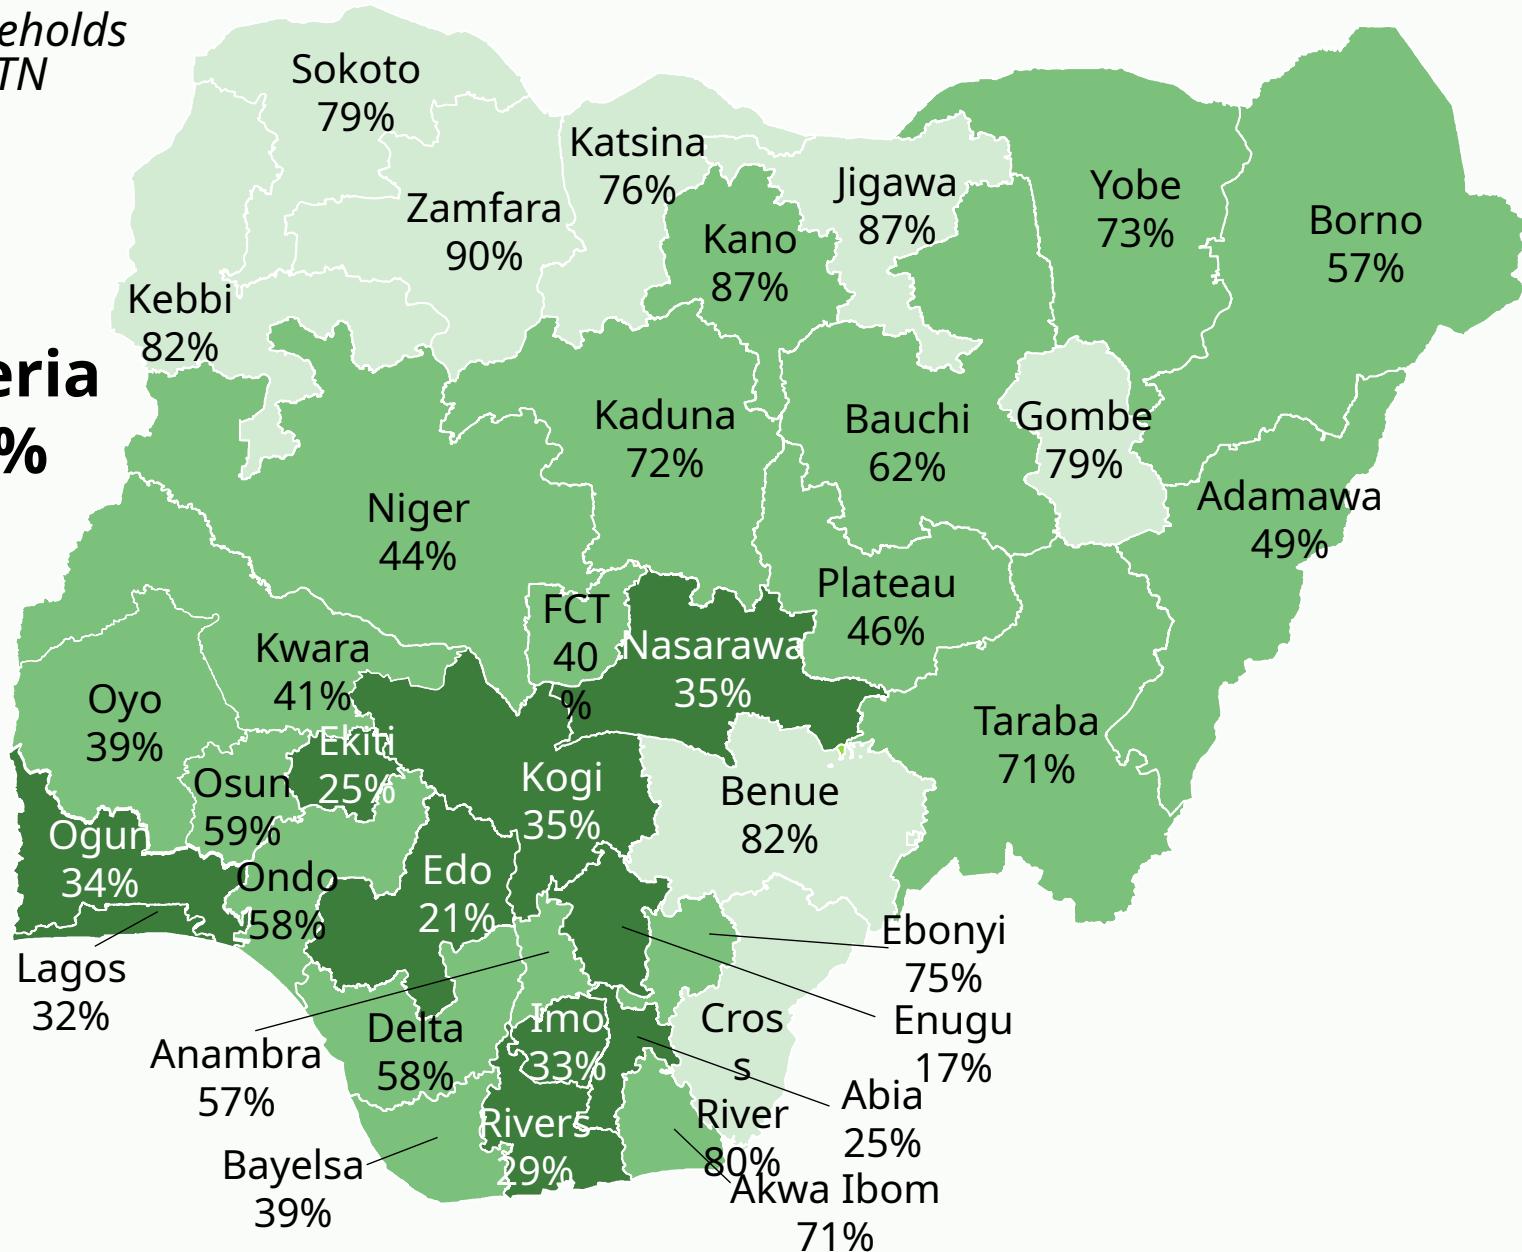

*Percent of households with at least 1 ITN*

# ITN Ownership by State

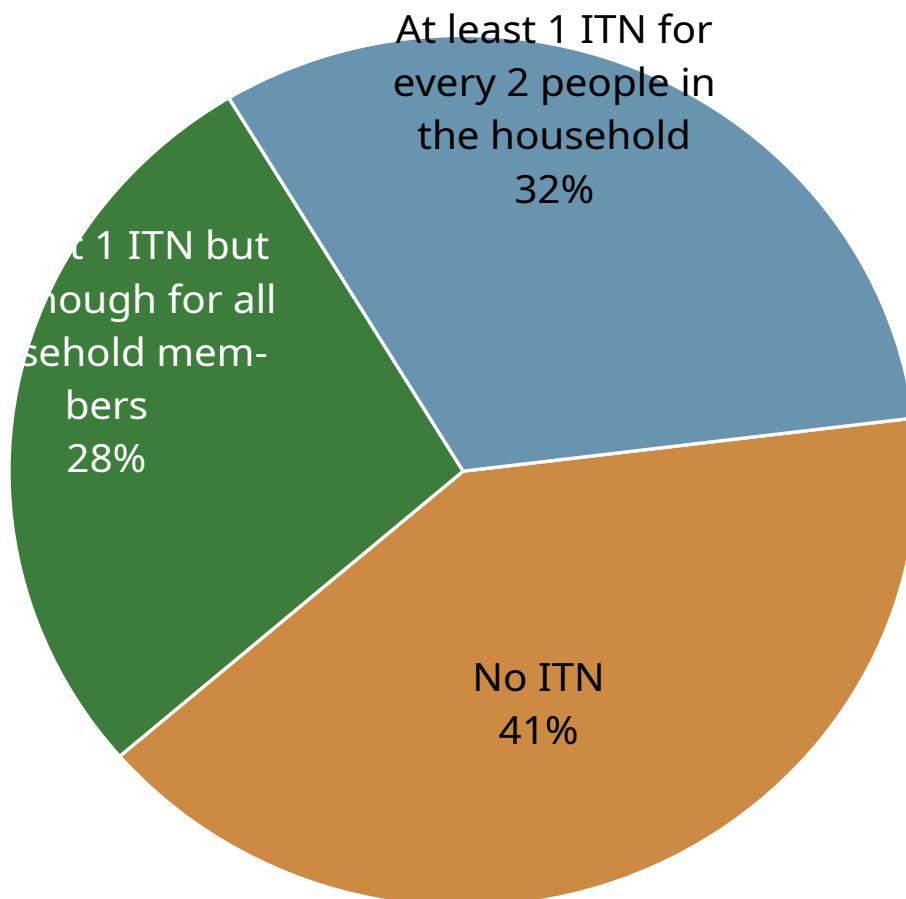

*Percent of households  
with at least 1 ITN*

**Nigeria  
59%**

# Full Household Coverage of ITNs

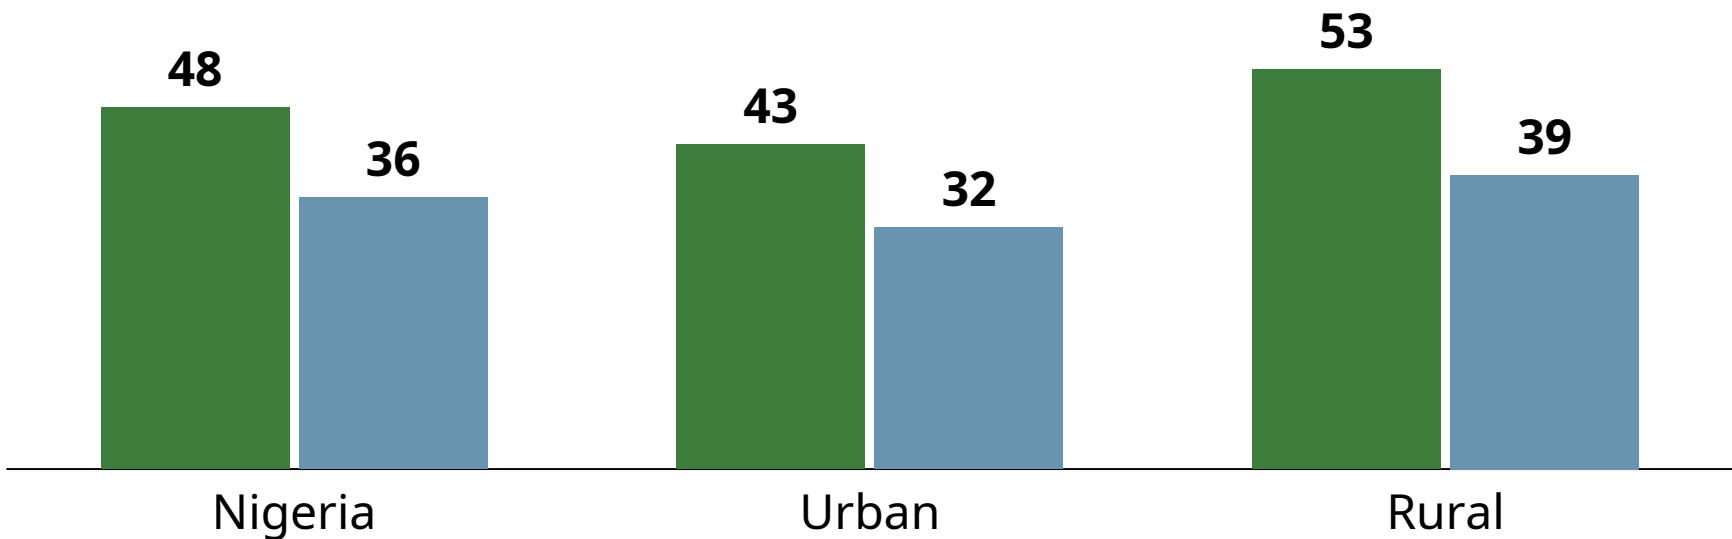

*Percent distribution of households*

# ITN Access and Use by Residence

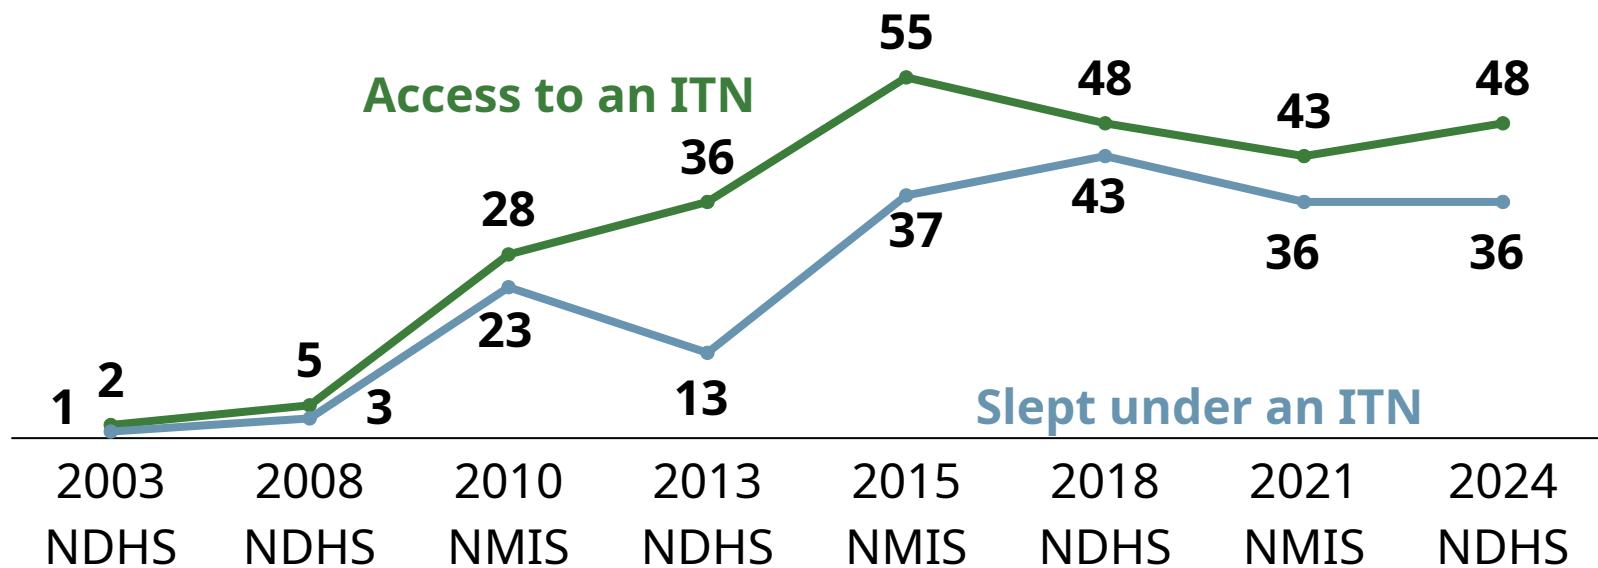

*Percent of household population with access to an ITN and percent who slept under an ITN the night before the survey*

■ Access to an ITN ■ Slept under an ITN

# Trends in ITN Access and Use

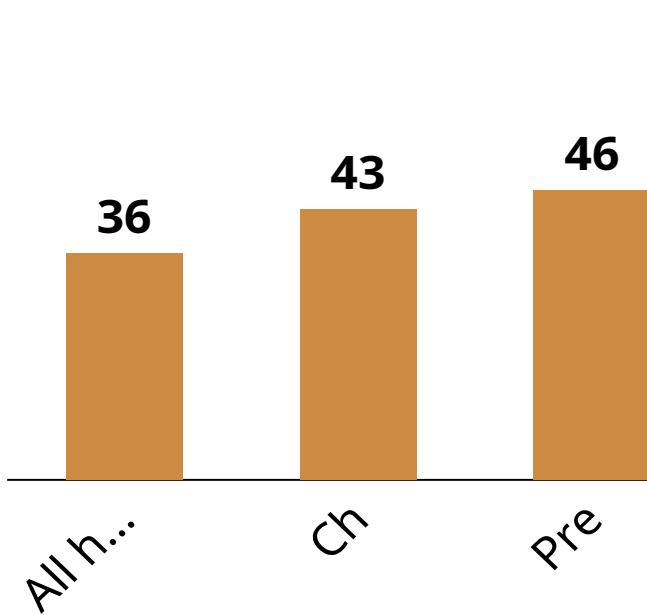

*Percent of household population with access to an ITN and percent who slept under an ITN the night before the survey*

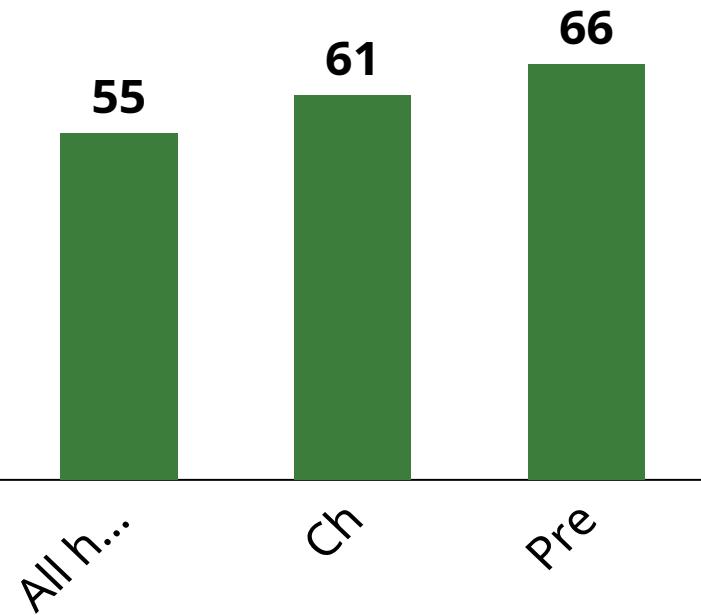

*Note: An insecticide-treated net (ITN) is a factory-treated net that does not require any further treatment. In the 2008 NDHS, 2010 NMIS, 2013 NDHS, and 2015 NMIS, this was known as a long-lasting insecticidal net (LLIN).*

# ITN Use

*Percent who slept under an ITN the night before the survey among **all households***

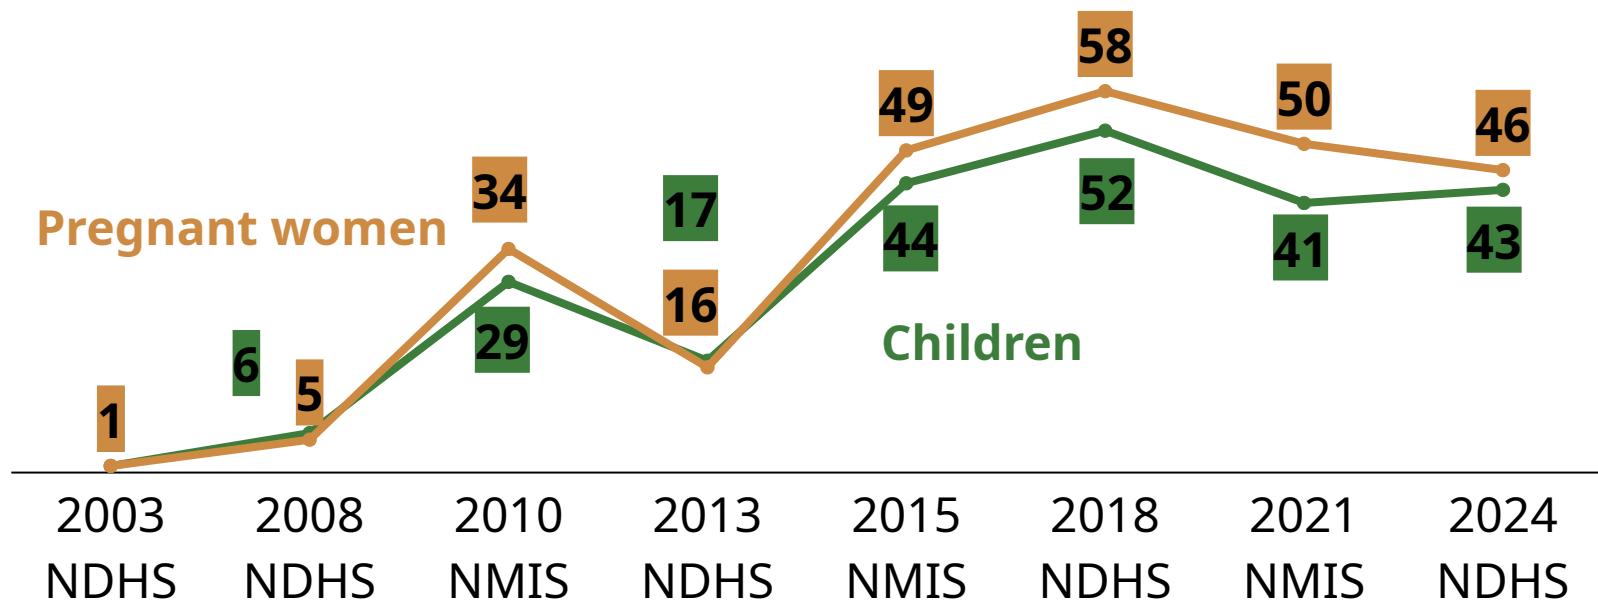

*Percent who slept under an ITN the night before the survey among **households with at least one ITN***

# Trends in ITN Use among Children and Pregnant Women

*Percent of children under age 5 and pregnant women age 15-49 who slept under an ITN the night before the survey*

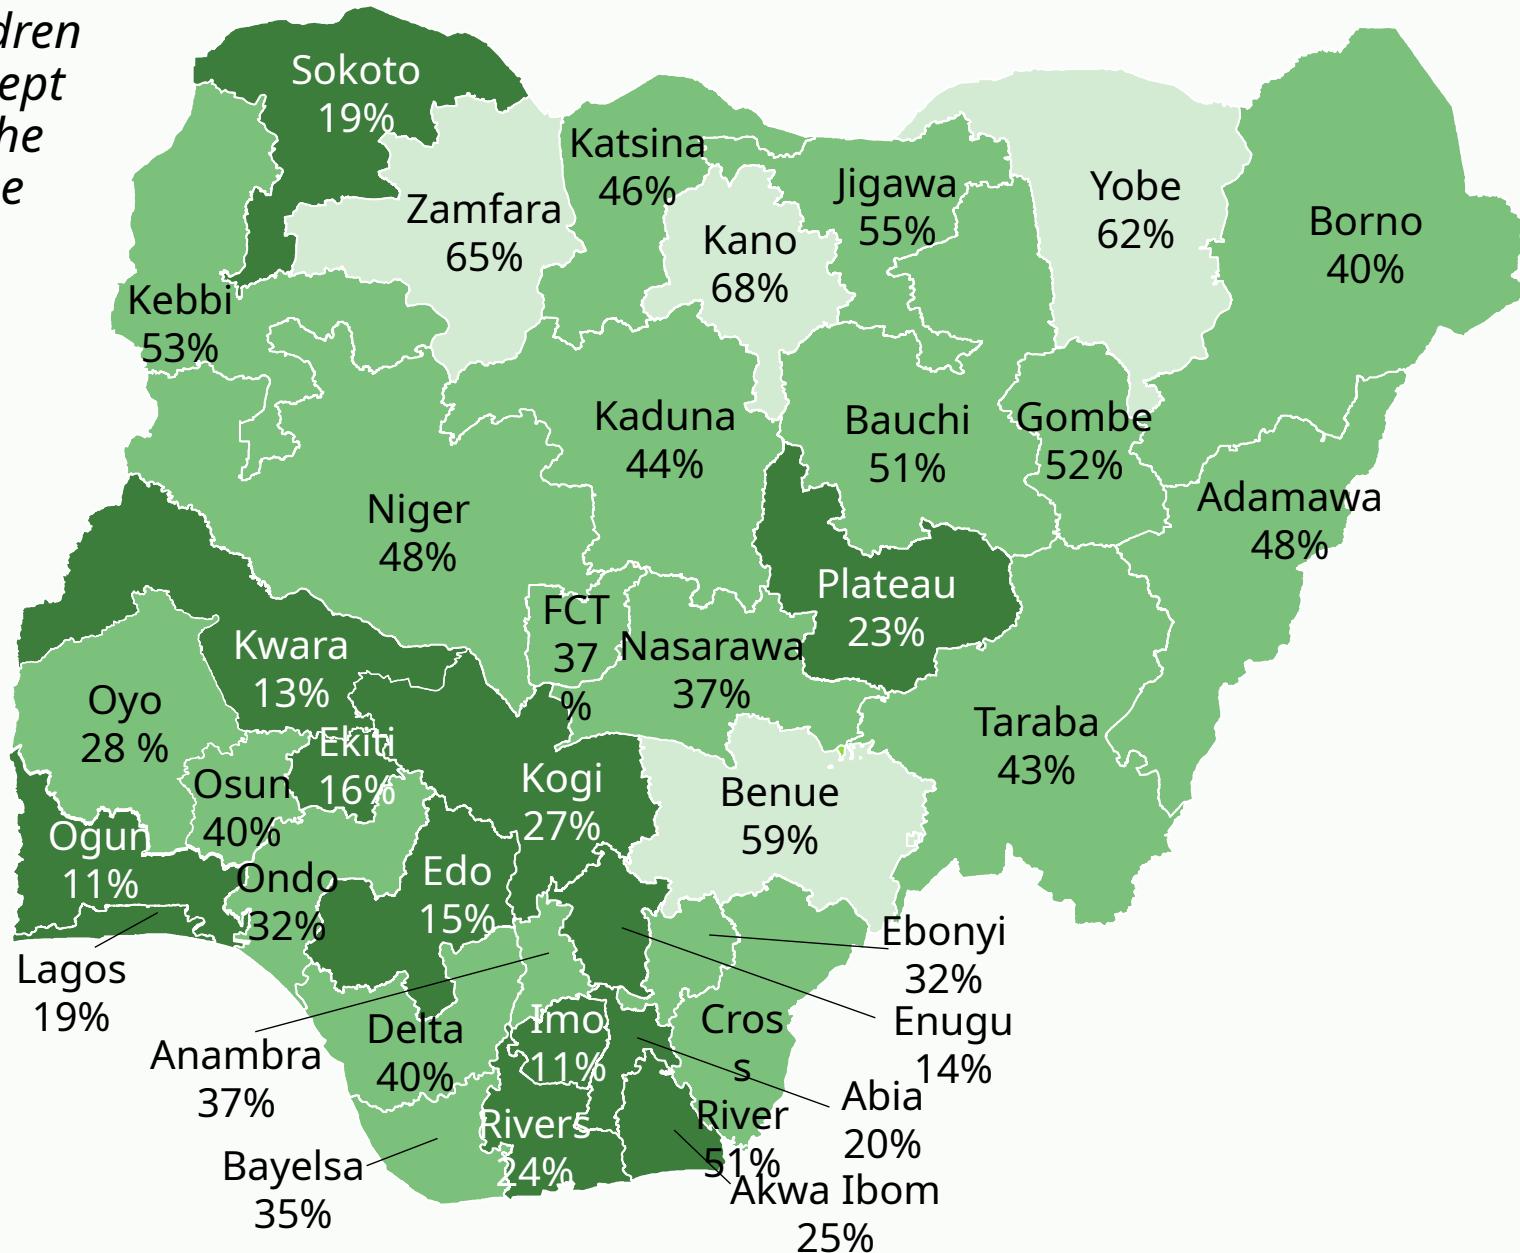

*Note: An insecticide-treated net (ITN) is a factory-treated net that does not require any further treatment. In the 2008 NDHS, 2010 NMIS, 2013 NDHS, and 2015 NMIS, this was known as a long-lasting insecticidal net (LLIN).*

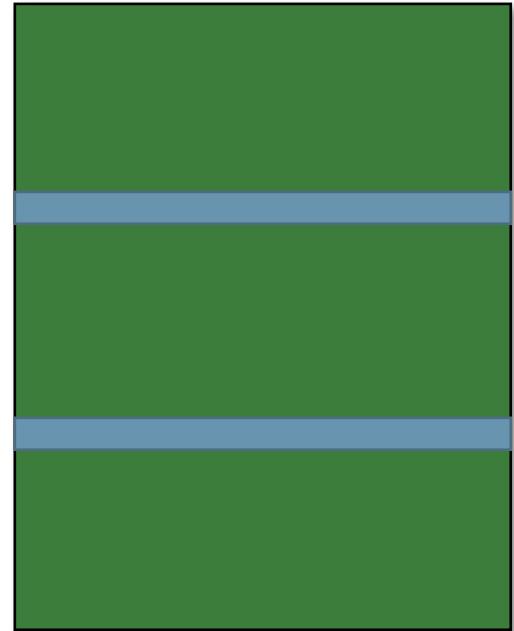

# ITN Use Among Children by State

*Percent of children  
under 5 who slept  
under an ITN the  
night before the  
survey*

**Nigeria**  
**43%**

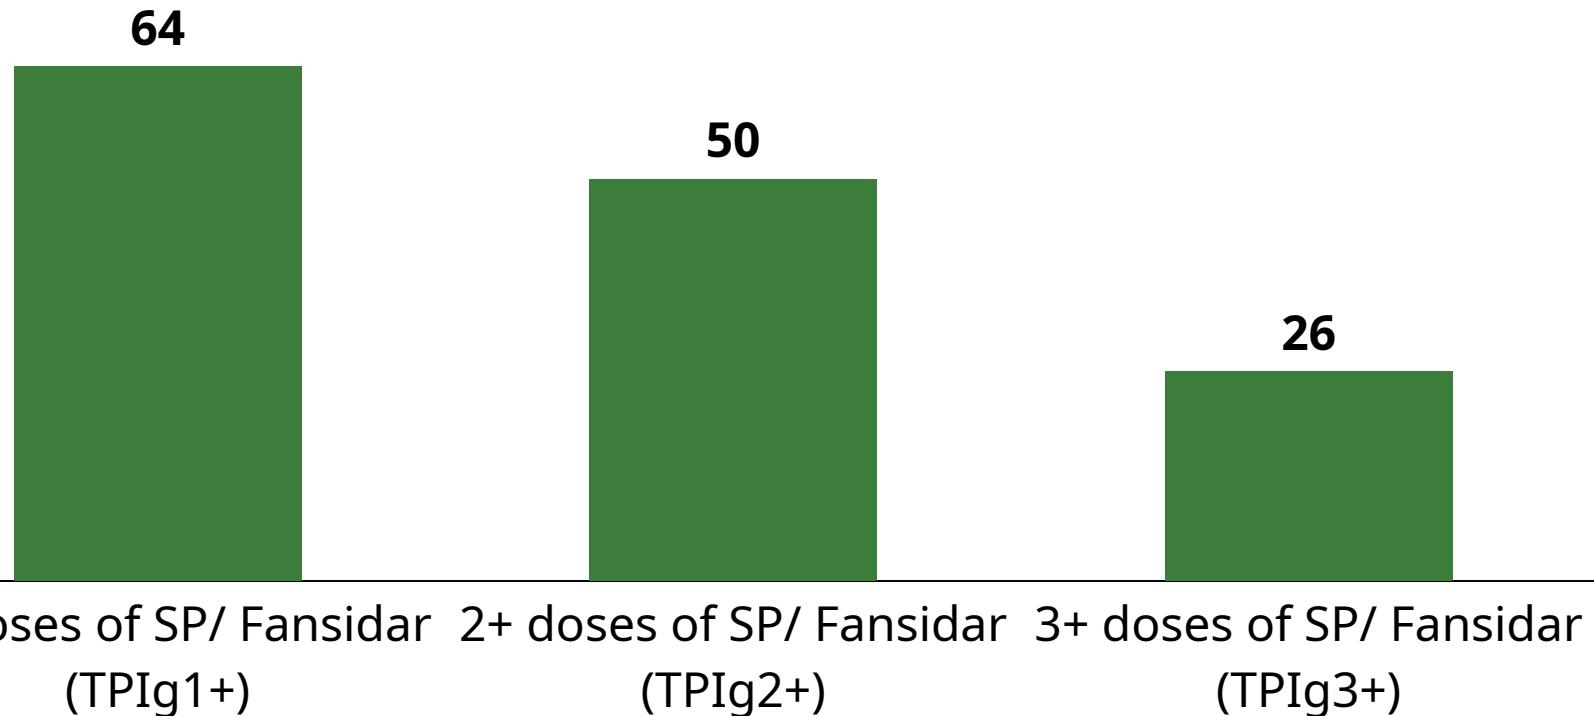

- Malaria Prevention
- **Malaria in pregnancy**
- Case management of fever in children
